The screenshot shows the Microsoft Excel application window with the title bar "GYPARAKIS_PELATES.xlsx - Microsoft Excel". The ribbon includes "File", "Home", "Insert", "Page Layout", "Formulas", "Data", "Review", and "View". The "File" ribbon is active, showing options like "Save", "Save As", "Open", "Close", "Info", "Recent", "New", "Print", "Save & Send", "Help", "Options", and "Exit". The "Help" task pane is open, displaying the "Support" section with options: "Microsoft Office Help", "Getting Started", and "Contact Us". Below this is the "Tools for Working With Office" section, which includes "Options" and "Check for Updates". An orange arrow points to the "Check for Updates" option, which is described as "Get the latest updates available for Microsoft Office." To the right, the "Product Activated" section shows "Microsoft Office Home and Business 2010" and lists included applications: "Microsoft Excel, Microsoft OneNote, Microsoft Outlook, Microsoft PowerPoint, Microsoft Word." The "About Microsoft Excel" section provides version information: "Version: 14.0.7128.5000 (64-bit)", a link to "Additional Version and Copyright Information", and copyright information: "© 2010 Microsoft Corporation. All rights reserved." Other links include "Microsoft Customer Services and Support" and "Microsoft Software License Terms".
